Strides in India

Electric Vehicle Training in Hyderabad

- Delivered comprehensive training to engineering college students and faculty.
- Recognised by the British Government as a leading Further Education college from Wales in Electric Vehicle Qualifications.

Upcoming EV Driving Skills Session in Calcutta

- A scheduled session focusing on maintaining optimum battery and charge with unique driving skills for electric vehicles.

Collaboration with Indian Start-ups

- We are developing an ESG course for the industry and students with one start-up.
- We offer internship opportunities in Wales for Indian students passionate about environmental sustainability.
- Engagement with Indian University - Integrating an ESG bolt-on for students specialising in Human Settlements.

Experiential Learning Programs

- Hosted Indian nurses for a two-week program.
- We offered faculty development programs across institutions in India.

Key Partnerships

- Global Wales
- British High Commission

What are we looking to offer in India?

Seeking Faculty Development Programs

- We are exploring collaborations for faculty development programs.

EV Training Partnerships for Students

- Actively pursuing partnerships to enhance EV training for students.

Short-Term Experiential Learning Programs in Wales

- Inviting students from India for short-term experiential learning programs in Wales.

Looking Forward to a Meaningful Impact

A vision for creating meaningful impact through future collaborations.

PARTNERSHIPS

- The Welsh Government commissions NPTC Group of Colleges to deliver an Apprenticeship provision in Wales.
- The College has established a WBL Partnership called Skills Academy Wales, comprising sixteen Training Providers that deliver a wide range of apprenticeships throughout Wales.
- Skills Academy Wales is one of the most significant partnerships in Wales and is currently delivering over £20 Million of apprenticeships this year.
- Pre-pandemic Skills Academy Wales was ranked as the top performing Apprenticeship Provider in Wales for four consecutive years.
