

# Cenit College at SkillsFest25

Driving Social Mobility Through Co-Funded Bootcamps

# About Us

- Established in 2001 in Ireland delivering professional training
- Provider of Skills Training across UK & Ireland
- Specialising in Leadership & Management, Project Management, Data, Accountancy, Cloud & AI
- Trusted by employers and partially funded by the government
- Track record of learner progression into jobs and apprenticeships

- To close the skills gap and empower individuals from all backgrounds
- with industry-led, employer-informed training that leads to real outcomes.

# What Are Skills Bootcamps?

Fast-track training programmes designed to plug skills gaps and get people into jobs and support upskilling and reskilling:

- Duration: 8 to 16 weeks
- Flexible: Online or blended
- Job-Focused: Designed with employers
- Outcome-Driven: Leads to a job, promotion, or new role

**CENIT**  
COLLEGE

# Innovation, Not Imitation

- Co-designed Bootcamps with employer input
- 90%+ completion and satisfaction rates
- Strong employer network: Network Rail, Joskos Solutions, other MS providers, Barclays
- Inclusive, flexible delivery model – live virtual

# IMPACT **SNAPSHOT**

---

- Over 8500 learners supported – Jan 2024 to August 2025
- Outperforming the national average in learner success and positive outcomes
- Supporting underrepresented groups - women, ethnic minorities, NEET
- Delivered nationally and now in Cheshire, and East Midlands Region

## CASE STUDY: **BESPOKE BOOTCAMP**

- Co-funded Bespoke Bootcamp for a national Employer
- 90% completion rate with internal job progression
- Tailored content aligned with the organisation's goals
- Ongoing collaboration and employer feedback integration

**Excellent training**

Excellent training totally customised to each student's needs to learn. As a student with additional learning needs it has been very helpful to have access to all the learning materials as well as step by step live classes online to have the comfort of your own learning environment

**An excellent course**

An excellent course, with lots of material to get stuck into, along with great tutors, guest speakers and a portfolio of documents and case studies to take with you by the end.
