# City St George's, University of London

# About us

- City St George's is the university of business, practice and the professions
- One of London's largest higher education destinations
- We educate more than 27,000 students from over 150 countries
- Our programmes are world-leading
- Our research has global impact
- We are located in the City of London and the Lord (Lady) Mayor is our Rector

# Green Finance Strength

*Our green-finance education is aligned with a set of international standards and market frameworks.*

## Professional bodies

- ACCA, CIMA, ICAEW, ICAS, CII, CPA, CFA, CISI, CAIA, GARP, EI

## International standards

- ISSB – IFRS S1 & S2, TCFD, EU Taxonomy, CSRD/ESRS, SFDR; UK SDR, GBP, GLP, SLLP – LMA/LSTA/APLMA, EuGB, Regional and common-ground taxonomies, UN PRI, GFANZ, UN PRB, EP4, NGFS, Basel Committee principles, Basel Core Principles, IAIS climate-risk Application Paper, IOSCO guidance endorsing ISSB, Poseidon Principles, IMO, JETP, UN SSE, ISO 14030, 14097 and 14064 series, English common law and international arbitration standards

# Pilot micro-credentials

## **Micro-Credential 1 (Primary Priority)** **Applied Green Finance Project Appraisal, Risk Assessment & Taxonomy Implementation**

This micro-credential addresses the most cited system-wide gap: policy exists, but implementation capability is weak.

## **Micro-Credential 2 (Secondary / Parallel Development)** **ESG Reporting, Disclosure & Assurance for Finance and Enterprise**

This will follow closely, but not dilute, the applied project appraisal focus of Micro-Credential 1.

## We are committed to

- Localisation through partnership: co-branding, case studies and content aligned with national regulation and market needs
- Design based on skills gaps, delivery preferences and system readiness
- Welcoming working together to develop provision that meets Vietnam's needs
- Builds job-ready green finance talent at scale
